About Us

The Friends of St Charles Library is a non-profit organization chartered in 1995 as a support for our library system by supplying additional items needed to enhance the variety of library programs designed to address the needs of the community.

We assist the library staff in encouraging patrons to become involved in the library branches by enhancing the programs offered by the staff and participating in ways suggested by the staff.

Funding

Our funds are raised through the membership dues, book sales in each branch of the library, and the spring and fall used-book sales supplied by donations.

Donations

The Friends of St Charles Library accepts donations of gently used books – hardback and paperback – and DVDs. Donations are accepted at any library branch.

Meetings

The Friends of the St. Charles Library Board meets as needed. Members are welcome to attend these meetings.

Meetings and upcoming events are publicized on the St. Charles Parish Library's website at myscpl.org, Friends of the St Charles Library Facebook page, and in our membership newsletters and emails.
