Cabin Fever Reading Challenge

**READING TRACKER**

Read—anything! Log the minutes you spend reading in your Wandoo Reader account or on your Reading Tracker.

Win a prize after reading 180 minutes. You’ll pick it up when we reopen.

You’ll also be entered into our grand prize drawing.

If you’ve kept track of your reading on the Reading Tracker, just bring that in when we reopen!

Complete the Cabin Fever Reading Challenge by April 20.
This date may be extended based on how long we are closed!

Each square = 15 minutes. Check off squares as you read!

Extra challenges, just for fun.

- Take a picture of an animal (maybe a pet or stuffed animal) reading a book.
- Write a short review of something you’ve read, watched, or listened to.
- Read a comic! It can be one you have or one that you read on hoopla.
- Read something different from what you usually do. You don’t have to finish it, but give it a try!
- Take a photo of someone (you maybe?!) reading outside!
- How long can you read in one time? Read as long as you can in one sitting.
